MURRAYLANDS

PREMIUM

CHOICE GRASS FED SOUTHERN AUSTRALIAN CHILLED BEEF.

The Murraylands Premium brand is the epitome of quality. Introduced by T&R Pastoral to cater for those markets that demand the highest quality pasture-fed, chilled beef and lamb.

T&R Pastoral's grazing properties, feedlots and processing plant are strategically located in South Australia, providing easy access to Australia's premier quality livestock and an assurance that the process begins with the highest quality produce.

Our plant (EST. 533) at Murray Bridge boasts a team of experienced and highly qualified technical staff who ensure that this process continues. Customer specification, food safety and the stringent regulations of the USDA and European Union (EU), all work together to reinforce this quality.

With absolute control from procurement and feedlot, through to processing, packaging and shipment, T&R Pastoral leaves nothing to chance. So our customers can be sure of receiving the best quality meat, delivered under the highest possible safety standards.
